Yo @CPU! Please ask @GPU to draw the triangle.

I'm sending you over the programs through draw calls,

hope they reach you :)

CPU
inside

@GPU Been a while (lol, not really!).

Passing on programs that you run usually. Shaders I guess, idk.

threejs, WebGL, CPU, GPU, You

GPU

K. Running them!

GPU

@Me. Here ya go, nice triangle btw!

Rendering a 3D Scene on the Browser

threejs, WebGL, CPU, GPU, You
